Dear Channel Partner,

Please accept this End of Life (EOL) notice for:

Access Gateway Model: [AG 5600](#)
Effective End of Life Date: [December 31, 2016](#)

The AG 5600 End of Sale (EOS) and final shipments occurred in October 2012. As part of the End of Life transition for the AG 5600 model, please note the following important dates:

- Final date to purchase add on software module options – December 31, 2016
- Final Date to purchase user count upgrades – December 31, 2016
- Final Date to obtain hardware replacement or software upgrades – December 31, 2016

Nomadix will continue to offer availability of annual software license, warranty and support for AG 5600 necessary to maintain use of the NSE software. The License, warranty and support will continue to entitle access to software upgrades and hardware replacement through the end of life date of December 31, 2016.

Licensed use beyond the End of Life date, December 31, 2016, will continue to include technical support on a best effort basis with 24/7 web and call center access, excluding software upgrades or hardware replacement.

We encourage your consideration of our next generation gateway, the [AG 5800](#) with improved hardware throughput performance.

Please visit our website at www.nomadix.com for full details and available trade-in upgrade promotions as part of our customer loyalty program.
