

NOMADIX DOMESTIC ALLOC8 REGISTRATION PROCESS

It is necessary to register your Alloc8 to obtain the Software License Key and Support Services. Please note that it will take 1-3 business days to receive the License Key.

The following steps are required:

- 1) Go to the following link: www.nomadix.com/registration.
- 2) Download the Nomadix Alloc8 Registration Form and e-mail to register@nomadix.com.

As an alternative, you can fill out the form on the other side of this page and fax to the following number: +1 818 575 2580.

You will need both the Serial # and the Host ID to complete the registration process. These numbers are located on labels on the front of the unit (**Figure 1**) and on the side of the shipping box (**Figure 2**).

Process lead times are as follows:

- Registration submissions are processed Monday through Friday (excepting US holidays), and a license key and instructions are emailed to the registered contact within 1 -3 business days.
- Registration forms manually submitted via fax or email to our technical support team are processed during business hours Monday through Friday as well.

Once the registration is submitted a confirmation email and support entitlement is provided to include confirmation of the license, duration of the license period and Nomadix End User License Agreement terms.

A final email will follow within 1-3 business days with the software license key and instructions to enable the software.
