

USG II EOL Product Notice

June 1st, 2006

Dear Nomadix Channel Partner,

This letter is to inform you that Nomadix is announcing the End of Life (EOL) for the Universal Subscriber Gateway II™ (USG II) effective June 1st, 2006. Last shipments of the USG II were made in Q1 2005, after which time the AG 5000 became the replacement platform. The AG 5000 and the USG II are functionally equivalent platforms and serve the same markets, however, the AG 5000 form factor has a sleeker 1 U specification on a standard 19 inch rack..

As part of this USG II EOL transition, please note the following important dates:

Final date to purchase add-on modules (CC, PMS, HA, Roaming) – **November 30, 2007**

Final date to purchase NSS Support Contracts – **May 31, 2007**

Final date to purchase Software Subscription or Bundled Support – **May 31, 2007**

Final date to purchase user count upgrades – **May 31, 2008**

Final date for technical support and upgrades (including bug fixes) – **May 31, 2008**

For more information, please refer to the EOL Policy Statement on the Partner Extranet Site, <http://www.nomadix.com/partners/extranet> under the Sales Tools/Policies and Pricing section (Channel Partner login is required). Any questions may be directed to the following Nomadix departments.
